# Teachers?

Empty text

## Order

Our 'imaginary' of teaching

## Knowledge

Static, constrained and replicable

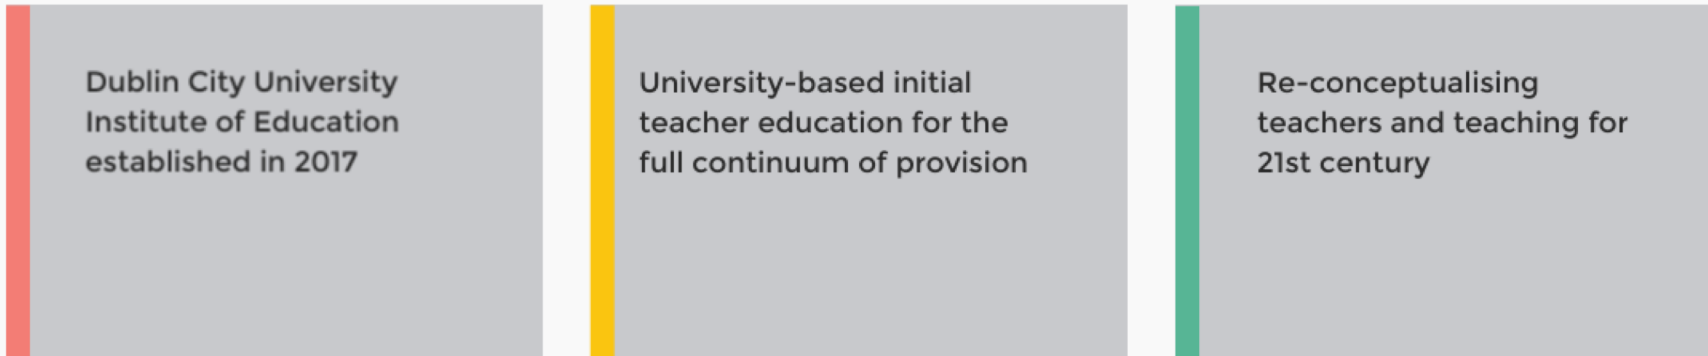

## Transmission

This dynamic persists

## Success

Compliance, diligence, certification

Dublin City University  
Institute of Education  
established in 2017

University-based initial  
teacher education for the  
full continuum of provision

Re-conceptualising  
teachers and teaching for  
21st century

DCU STEM INTERNSHIP

An industry placement over the summer of year 3

Participants are paid

Open to all teacher education students and recent graduates

'way out of my comfort zone'

'I found a world outside classrooms and schools'
