

RAPID COVID-19 TESTING AT CATALYST

CATALYST FRIENDS AND FAMILY DISCOUNT £30+VAT PER TEST

NIVHA are a member company of Catalyst and a leading provider of Drug and Alcohol Screening and Testing services across Northern Ireland.

We are extending our offering of Covid-19 Rapid Testing services to the Catalyst community (including close friends and family) in the lead up to Christmas as restrictions are lifted and households are allowed to mix.

We will be using the MHRA certified and CE marked Rapid Antigen Testing Kits from local company Fortress Diagnostics (*Relative Sensitivity: 96.72% | Relative Specificity: 99.22% | Accuracy: 98.74%*) which will be professionally analysed by our nurses and resident Biomedical Scientist.

NOTE:

- Self-Collection kits will be made available on arrival.
- If you have booked a one hour slot, please arrive at the start of that one hour time slot.
- Self-Collections can be carried out in your car or in the comfort of your office at Catalyst.
- All samples collection kits must be received within your one hour time slot otherwise your sample will be invalid.
- You will be required to have a smart-phone with a camera to perform the self-collection.
- Results will be delivered by email within 3 hours of being received.
- Results are for information purposes only and not to be used for official purposes (such as travel certificates etc).
- We are located at the rear entrance to the Innovation Centre, Catalyst, Queen's Road, Belfast. Please ring the bell at the NIVHA entrance and wait for a member of staff to assist you.
- **IMPORTANT:** This process is for asymptomatic individuals only. If you are displaying symptoms of Covid-19, please contact the NHS.
