

## **Generation Innovation 2024 – Invitation to Tender for Coaches**

Location: All Catalyst Locations

Deadline: April 22nd, 2024

Generation Innovation requires coaches on a part-time, temporary basis to provide additional support to student teams participating in our 5 or 4-day work experience programme (depending on which location students attend).

Generation Innovation is a unique work experience programme partnering young people with innovative companies from across Northern Ireland. It helps talented young people to form teams, build creative confidence and create a prototype to solve a real-life business challenge. Generation Innovation aims to inform, upskill and empower the young people of this generation to thrive as the next leaders, innovators and entrepreneurs of the future. You can find out more about the programme at the following link:
